Instructions to Sign up for IPCC 2013 Rideshare Listserve

An opt-in only listserv has been created to help IPCC 2013 attendees coordinate rides from Vancouver International Airport to the University of British Columbia Vancouver campus.

Important: This list is confidential. You should not publicly mention its existence or forward copies of information you have obtained from it to third parties.

How it Works

After you sign up, you can start sending messages to the list. Your messages will go out to everyone that has subscribed to this listserv. If you reply to someone's message, the reply will go out to both the sender and everyone else on the list.

Subscribing to the List

To subscribe to this mailing list:

1. Go to this page: https://listserv.ieee.org/cgi-bin/wa?A0=IPCC2013

2. Click **Subscribe or Unsubscribe** in the right navigation menu.

3. Fill out the name and e-mail fields and click SUBMIT.

4. When you receive the confirmation e-mail (short), you will need to confirm your subscription by clicking the confirmation link.

   You will then receive a second confirmation e-mail (long) that your subscription has been activated. We recommend you save this e-mail because it contains information about how to send an e-mail to the list, how to unsubscribe, and so forth.
