

IEEE ProComm 2026 Sponsorship

The IEEE ProComm 2026 conference will be held at the University of Alberta, in Edmonton, Alberta, Canada, from July 12-15, 2026. This is the annual flagship conference of the IEEE Professional Communication Society. Attendees are from industry and academia, and include instructors on some of the largest engineering communication, technical communication, and communication and media programs globally.

We are writing to invite you to consider sponsoring this international conference. Your sponsorship will help fund lunches, breaks, workshops, speaker travel expenses, and other miscellaneous costs. **Potential benefits for you as a sponsor include visibility at the conference, an option to present a demo or promotional talk. Full details of benefits are presented in the chart below.**

If you would like to sponsor the conference, or if you would like to meet us to discuss the right level of sponsorship for you, simply email Dr. Valls-Ratés or Dr. Barker (emails are below).
