Call for Industry-Academia Collaboration Research Grants.

The IEEE Professional Communication Society (PCS) is pleased to announce a new research grant program that will foster applied research collaborations between industry and academic partners. These grants seek to support innovative research projects that leverage the strengths of multiple sectors to address pressing challenges and drive advancements in professional and technical communication. Call closes 31 July, 2026.

Sponsorship spots available!

We invite you to consider sponsoring this international conference. The IEEE ProComm 2026 conference will be held at the University of Alberta, in Edmonton, Alberta, Canada, from 12 - 15 July, 2026. This is the annual flagship conference of the IEEE Professional Communication Society. Your sponsorship will help fund lunches, breaks, workshops, speaker travel expenses, and other miscellaneous costs.

Potential benefits for you as a sponsor include visibility at the conference, an option to present a demo or promotional talk.

If you would like to sponsor the conference, or if you would like to meet us to discuss the right level of sponsorship for you, simply email Dr. Valls-Ratés or Dr. Barker.

Signed,
Jo Valls-Ratés and Thomas Barker
IEEE ProComm 2026 Conference Co-Chairs
